BACK TO SCHOOL AT THE LIGHTHOUSE

A new school year means new opportunities to learn, explore, and discover at the Jupiter Inlet Lighthouse & Museum! Our youth programs bring history, nature, creativity, and hands-on learning together in one unforgettable setting.

Sensory Friendly Exploration Day
OCTOBER 18

Sensory-Friendly Exploration Day is a welcoming event that adapts the Lighthouse experience to create a supportive environment for those with autism, sensory sensitivities, and special needs.

This event also connects families with local therapy, enrichment, and support services, fostering a sense of community and belonging.

✧ Guiding Lights: Docent Spotlight ✧

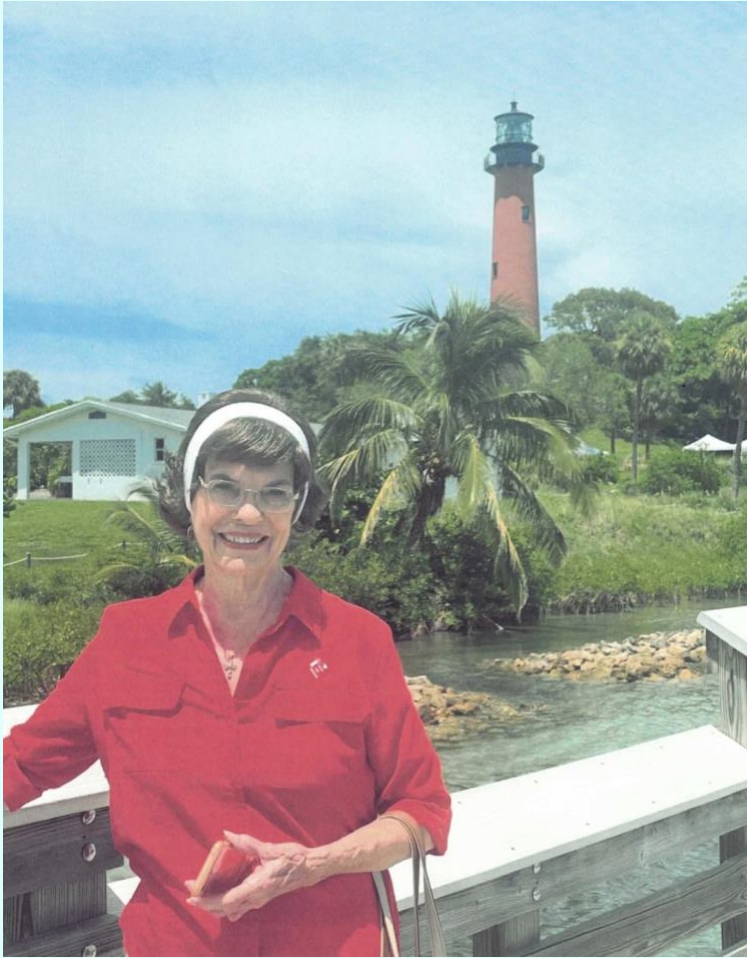

Each month, we shine a light on the incredible volunteers who bring the Lighthouse's story to life.

If you've visited the Lighthouse gift shop, chances are you've been greeted by **Tom**.

Part of our dedicated gift shop crew, Tom makes sure each guest is welcomed and informed from the moment they walk in to the moment they leave.

Thank you, Tom, for your years of dedication to the Lighthouse and the valuable work you do.

Judy has been with the Jupiter Inlet Lighthouse & Museum for 16 years! She started volunteering in the archives department and learned many things about the founding of Jupiter.

Judy has a special connection to the site because she is the granddaughter of a former Jupiter Inlet Lighthouse keeper and the daughter of a second assistant keeper.

During her formative years, she played under the iconic banyan tree, a tree she knows well and shares with guests as they come by.

Judy, thank you for your special commitment to the Lighthouse and your community.

PLANT A TREE. LEAVE A LEGACY.

Celebrate someone special, mark a meaningful occasion, or create a lasting connection to the Jupiter Inlet Lighthouse & Museum through our Plant a Tree Program.

Your contribution helps enhance and preserve the beautiful landscape surrounding this historic place for generations to come.
