

TREE REBATE PROGRAM

We're excited to announce the upcoming launch of our **Tree Rebate Program**, designed to help residents and neighborhood HOAs enhance our community's green spaces. This initiative offers financial incentives for planting approved South Florida native trees on private properties.

TYPES OF TREES

Medium-Sized Trees – Smaller native species suitable for compact areas or locations near rights-of-way and overhead utilities.

Canopy Trees – Large, fast-growing native species that provide extensive shade and environmental benefits.

INFORMATION

- Applications are accepted from **October 1, 2025 – March 1, 2026** (or until funds are exhausted)
- Canopy Trees, up to \$300 rebate
- Medium-Sized Trees, up to \$200 rebate

VERIFICATION REQUIREMENTS

- **Apply** for a tree planting permit
- Submit a purchase **receipt**
- Allow a post-planting **inspection** by Village staff
